STUDENT MEDICAL SCHEME

The WIT Health Centre was formed in March 1987. The aim of the healthcentre scheme is to provide medical and nursing care to students who often put their health low on their list of priorities. We at the Medical Centre provide a holistic approach to student healthcare.

This scheme is provided by Dr Sharon O'Donnell, Dr Sean McBrinn, Dr Lisa O'Neill, Dr Caitriona Mooney, Nurses Gerardine Harrison, Tara Bourke, Eleanor Rossiter, our Practice Manager Jean Hubbard and our team of secretarial and receptionist staff.

We hope to be able to provide ongoing care for those with medical and psychological problems when they are away from their families.

Finally, we aim to help parents alleviate their concern for their children's health while at college.

REGISTERING WITH THE MEDICAL CENTRE

Annual fee: €100 (one hundred euro) for the Academic Year (September - May).

This would entitle the student to unlimited visitations to the two surgery premises (WIT campus and City Centre) and to the Nurses, Week-days 9am - 5pm. (Friday 4pm).
